

The Book of Ruth

## When God Turns Mourning to Joy

**We all have leftovers in our life.  
But God can take the leftovers  
and make something incredible  
out of them!**

What we may see as the left over, God sees  
as the main course.

### **Ruth 2:1-7**

Sometimes all that we have are leftovers. The leftovers of hope, a promise, or possibilities.

All that Ruth has were leftovers, and all she had to glean from were the leftovers of the field.

**The pathway to Ruth's blessing was found in the leftovers!**
