

WALK THE WALK

Walking in confidence means walking in the power of the Holy Spirit through faith!

We can have confidence through faith to face whatever is before us.

Walk in Confidence

1 John 5:1-5

Confidence means knowing what we can and cannot do well.

True confidence comes not from within, but from knowing God!

Are we attempting to straddle the line between light and dark?

If you have been born of God, you are able to overcome the world – not because of what you've done, but because of what He has done.

We overcome not because of who we are, but rather who we are in Christ.
