PSALM 119:11

Welcome

You were created to grow. But growth does not always begin where people can see it. Before a tree bears fruit, roots grow deep beneath the surface. Before a harvest appears, seed is buried in the ground. Before a life changes outwardly, God often begins by working quietly in the heart.

In Luke 8, Jesus tells a story about seed falling on different kinds of ground. The seed is the Word of God. The ground represents the condition of the heart. Some hearts are hard. Some hearts are shallow. Some hearts are crowded. But some hearts are good ground.

*Good ground hears the Word.
Good ground keeps the Word.
Good ground bears fruit with patience.*

This devotional was created to help you receive God's Word, remember it, pray through it, and let it take root in your life. Each week, you will focus on one verse using the Hidden Word method. You will read the verse, write it, reflect on it, pray it, and practice remembering it using only the first letter of each word.

When God's Word is hidden in your heart, it can grow in places no one else can see. Let this be your prayer: Lord, make my heart good ground.

The Hidden Word method uses the first letter of each word in a Bible verse to help you remember God's Word.

Dedication

This devotional was created for Good Ground Church, people planted in God's Word, rooted in faith, and called to bear fruit for His glory.

Our prayer is that every heart would become good ground: ready to hear the Word, keep the Word, and live the Word.

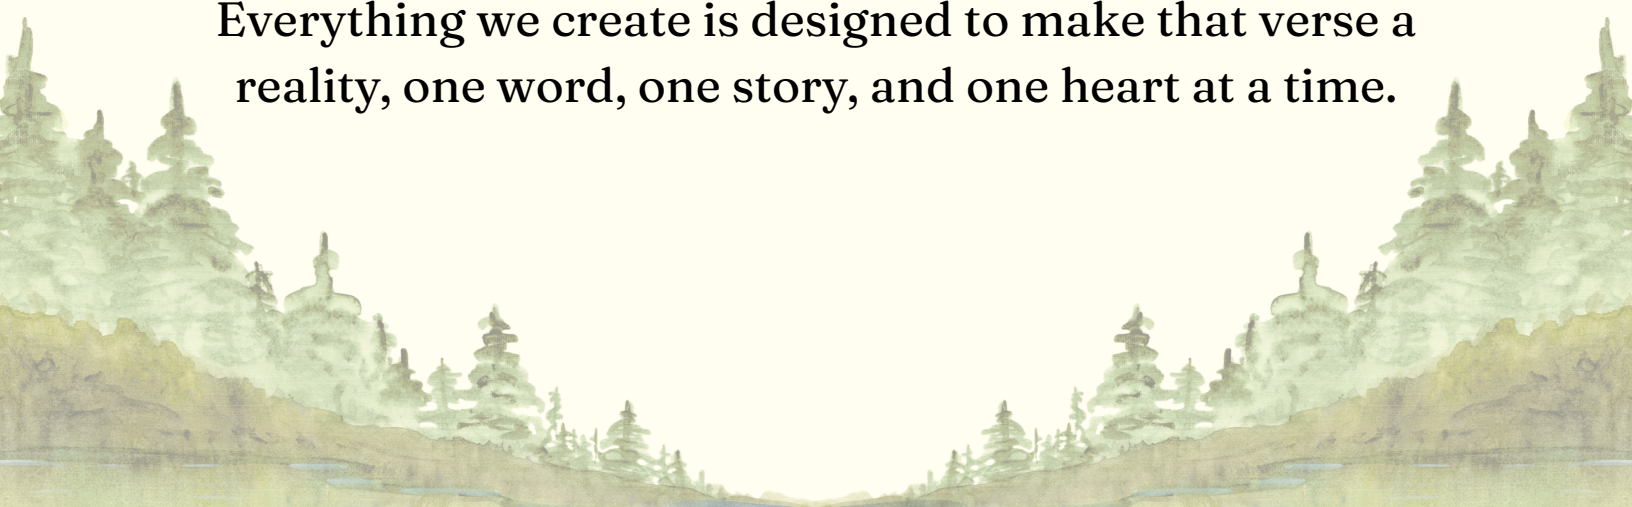

At Hidden Word Co., our mission is simple: to help children and families hide God's Word in their hearts in a way that is engaging, memorable, and rooted in truth. We use a unique approach that transforms Bible verses into their first-letter form, turning Scripture into fun, visual clues that strengthen memory and deepen understanding.

"Hidden Word" is more than a name, it's a reminder that God's Word is a treasure meant to be discovered, remembered, and carried with us daily.

Our work is inspired by Psalm 119:11:
"I have hidden your word in my heart that I might not sin against you."

Everything we create is designed to make that verse a reality, one word, one story, and one heart at a time.
