

Jesus doesn't want people who just go through the motions of being a follower, He wants real change in our lives.

The Motions

Revelation 3:1-6

Do we care more about how others perceive us than Jesus?

The church at Sardis had a reputation for being alive, but were really dead.

Jesus knew their works and that they had that reputation of being alive, but Jesus saw them as they truly were - dead.

Change requires:

- Being watchful**
- Strengthening what remains**
- Hold fast and repent**

If Jesus was to write you a letter today, what would He say about you?
