

You don't have to live in a graveyard if you've been called out of it!

The Walking Dead

Ephesians 2:1-10

The dead aren't always dead, they sometimes walk among us.

We can forget who we were
We can forget who we are
We can go back to who we were

Paul reminds us:

-Of Who We Were

-Of How We Changed (But God)

-Of the Transformation that Occurred

-How God Sees Us

Everyone has a "But God" moment - what is yours?
